Project:

Spectrum Powdered Base Coat Adhesive

Product information:

Spectrum Powdered Base Coat Adhesive is a polymer modified Portland cement-based product that is to be used by skilled stucco/plastering applicators.

Spectrum Bagged Base Coat Adhesive is intended for foam shapes/ profiles, embedded with fiberglass over conventional stucco. This product is not to be used with EIFS or any exterior insulated finish system. (See additional EIFS warning below). This product can be used to repair aged or damaged surfaces of masonry, brick, CMU, concrete or as preparation for the application of a decorative coating.

Features:

- Great for small projects
- Great for Repairs
- Notched Trowel Application
- Gray Color

General information:

Clean area and remove all dust, grease, oil, paint, dirt, efflorescence and any unsound concrete. Spectrum tintable primer must be applied over all cementitious products once they have been allowed time to cure. Primer must be applied with a spray application and then back rolled with a paint roller. With a pH pencil, check the surface pH levels 4-6 hours after the primer has dried. Dry time will depend on surface temperatures, humidity and porosity of material to be coated. Random check entire surface to ensure pH levels are below 10.

Coverage on textures:

All coverage's are approximate, 70 - 110 sq. ft. at 1/16" thick depending on application and applicator.

DO NOT USE THIS PRODUCT AS A COMPONENT OF AN EXTERIOR INSULATION FINISH SYSTEM (EIFS) OR AS PART OF ANY EXTERIOR INSULATION FINISH APPLICATION REPRESENTED TO BE A SIMILAR GROUP COMPONENT BASED SYSTEM.

EIFS refers to an exterior insulation system in which the specific components are designed, formulated, tested and may also be certified by “EIMA”, “ICBO”, or other organization to ensure that the individual components are compatible with one and another and will successfully function together. All AHI products are sold independently and separately and have not been tested, designed, formulated, manufactured or certified by any entity to work together successfully in Exterior Insulation Finish Systems or as a part of any exterior insulation application represented to be similar group component based system.

WARRANTY: All Spectrum stucco coatings come with a limited 5 year warranty.

Thank you for the opportunity of furnishing this quality product on your important project!
