Texas Lehigh Type S Masonry Cement

We propose to furnish this product which is manufactured by The Texas Lehigh Cement Company of Buda Texas. Texas Lehigh is one of the largest producers of cement in the state of Texas. Our company has been supplying this product for over fifteen years, with positive results. Chances are good that you have seen some of this widely used material on previous jobs.

This product conforms to ASTM C-91, and the proportions of ASTM C-270. Each 75 pound bag of this is to be mixed with three cubic feet of masonry sand to produce a high quality Type S mortar.

Should you need samples of this product, Material Safety Data Sheets, references or if we may be of service to you in any way, please let us know.

Thank you for the opportunity to furnish this quality product on your important project! We look forward to working with you!
